

The School Advisory Council is a representative body of teachers, students, parents, support personnel, and community members who assist with the preparation and evaluation of the School Improvement Plan (SIP) and decide how school improvement funds will be spent. The SAC helps the school achieve its goals and increase student learning through the School Improvement process. As a member of SAC, you play an important part in representing our school community and are the voices in helping to better our school performance. We are the liaison for information and communication among students, families and staff at Discovery Middle School. We strive to engage families in the education process by:

- being a source of information and SUPPORT to parents
- WELCOMING new families
- provide a forum to discuss IDEAS and CONCERNS

We value your input and welcome you to join our team. If you are interested, please complete the SAC Interest Form and email to discoverymiddlesac@gmail.com or turn into the front office no later than August 30. Ballot for peers to vote in new members will be available during the Virtual Open House on Thursday, September 30. We will vote in new members during our Thursday, October 21 meeting. If you have any questions please email Heather Lopez at happyandealthymom@yahoo.com

We look forward to seeing you!
