

Discovery Middle School
School Advisory Council (SAC)
2021 - 2022

The School Advisory Council (SAC) is a representative body of parents, teachers, support personnel and community members who assist with the preparation and evaluation of the School Improvement Plan (SIP) and aid in the school improvement fund allocation decisions. As a member of SAC you play an important role in representing our school community and are the voices in helping to better our school performance. Parent representatives are elected by their peers to serve a one-year term and are required to attend 8 meetings. This year our monthly meetings will take place face-to-face in the media center as well as virtual on the dates listed below. Please visit the SAC information page under the Parent Information tab on the DMS website for additional information.
