24-25 6th Grade Course Selection Form

***This form is used for informational purposes only. Course requests must be submitted via the QR code or the link provided.**

CORE COURSES

All students will have 4 core classes on their schedule, English Language Arts (ELA), Math, Science, and History. Student performance on the F.A.S.T. Math and ELA assessment will determine student placement in regular or advanced classes.

PE is a required elective in all three years of middle school unless a waiver is signed. The PE Waiver link is located on the Google Course Selection form. Students are given three electives, one being PE.
